# Diploma Course St. Norbert Community Centre Monday, September 22 – Friday, September 26, 2008

## ARENA/CURLING RINK OPERATION LEVEL I

Prerequisites: None

This course is the first level of the Arena Operators Course approved by the Department of Labour. Successful completion of Level I and Level II will result in the permission to write the Refrigeration Class Power Engineers Examination and become a certified Operator in the Spring of 2009. Level I includes introduction to refrigeration, components and equipment, preventative maintenance, arena operation, administration and regulations.

## GENERAL INFORMATION

- Students are required to bring a battery-operated calculator to the course.
- Classes for the Facility Training Course will be held at the St. Norbert Community Centre, 3450 Pembina Hwy, St. Norbert, Manitoba. Breakfast and lunch meals are included in the course fee. **If rooms are required, the Course Coordinators will make arrangements for accommodation at the Comfort Inn, 3109 Pembina Hwy, Winnipeg.**
